

# The Actor as Storyteller

5 x 2hr classes run via Zoom.

In this five week online course we'll focus on approaching text using Stanislavski and Storytelling techniques. This course is playful, social, and packed full of exercises to engage your creativity and imagination. You'll work on different scripts every week, and will work toward presenting a rehearsed scene (words learnt) in the final class.

Great for anyone new to acting, or those wanting a re-fresher course.

## In this course you will learn:

How to approach script and scene work

Applying given circumstance

The foundational tools for creative practice

The importance of play

Techniques to improve your character work

## Each class will involve

Physical exercises alongside creative work

Imaginative work with text and scene

Creative work with character

Individual work outside of class time, including line learning

Feedback and/or redirection

## You will need

Zoom installed on your laptop

Somewhere private to work during our classes

Approximately 1m square in front of your laptop to work in

This will be an interactive, participatory class: your camera and mic will both need to be switched on.

A reasonable level of English is also required.
